

## 2022 In-Color Club – Virtual

Do you love color and new embellishments? **CHECK THIS OUT!**

I've created an online In-Color Club to Go. This program will get you all the NEW in-Color products over the next five months so it's a little easier on your...what's the b-word....budget?

Each month, you will receive a variety of products for one of the five new In Colors and a different color will be featured every month. Using the stamp set you receive in the first month, you will stamp 3 cards every month using the featured color.
