

2023 In-Color Club – Virtual

Do you love color and new embellishments? **CHECK THIS OUT!**

I've created an online In-Color Club to Go. This program will get you all the NEW in-Color products over the next five months so it's a little easier on your...what's the b-word....budget?

I am making few adjustments to our In-Color club this year to make it a little easier for me and for you as well. I will not be including a stamp set this year as this will give me a more design options. Instead, you will receive a handstamped card using the featured color as well as the PDF tutorial for the card and 5 additional ideas with the stamp set or featured color. Like Sarah's Favorites of the month. So here's the schedule, you will receive a variety of products for one of the five new In-Colors and a different color will be featured every month.
